Test & Measurement

Aaronia	<i>Spectrum Analyser (handheld), Antennas, Shielding Material, Preamplifiers</i>
Ace-Climatic	<i>Climatic and Enviromental Test Chambers</i>
AEMC	<i>Insulation Testers – Power Analyser –CT's and Flexible Current Probes.</i>
All-Test Pro	<i>Electric Motor Testers, On Line and Off Line.</i>
Anritsu	<i>Radio Communication - Digital Transmission & Microwave Measurement. OTDR, Light Source, Optical Power Meters.</i>
BK Precision	<i>General Test Equipment – Power Supplies, Electronic Loads</i>
Chroma	<i>DC Electronic Loads, AC Power Sources, LCR Meters, HiPOT Testers, programmable DC Supplies.</i>
Clare	<i>Electrical Safety Test Instrumentation.</i>
Cropico	<i>Precision Resistance & Capacitance - Temperature Measurement - Micro-Ohmmeter.</i>
Frankonia	<i>EMC Test Recievers, Generators and Chambers.</i>
Guide Infrared	<i>Infrared Thermal Imaging Cameras.</i>
GW Instek	<i>General Test Equipment –DSO, Analogue Oscilloscopes, PSU, LCR, Function Generators.</i>
Hioki	<i>Analogue & Digital Waveform Memory/Chart Recorder, FFT Analyser, Power Analyser, Analogue/Digital Multimeter, Clamp Meter, Battery Tester, Temperature Logger, Waveform Generator.</i>
HT Italia	<i>RCD & Earth Loop Installation Certification Tester - 5kV Insulation Tester.</i>
IMT Analytics	<i>Medical Gas flower analysers (CITREX)</i>
ISA	<i>Relay Test Sets, Primary Injection Test Sets , Transformer Test Sets.</i>
Kikusui	<i>Electronic Loads, DC & AC Power Sources, Electrical Safety Testers, EMC Testers, Power Supply Controller</i>
K & H	<i>Breadboard Testing Instruments, Communications, Electronic, Electrical, and Mechanical Training Equipment.</i>
Kyowa	<i>Pressure Transducer - Load Cells - Displacement & Torque Transducers.</i>
Laplace	<i>EMC Pre-Compliance Test System.</i>
MIT'S Electronics	<i>PCB Prototype Milling Machines.</i>
Nieaf Instr	<i>Voltage Testers - Non Contact Voltage Detection.</i>
NoiseKen	<i>Electrostatic Discharge Simulators, Noise Simulators.</i>
PASCO	<i>Science and Physics Teaching Aids, Dataloggers, Cirriculums.</i>
Phenix	<i>High Voltage Insulation Testing Equipment.</i>
Redphase	<i>PT and CT Test Sets.</i>
Rigel Medical	<i>Medical Equipment Electrical Safety Analyser - Blood Pressure Simulator - Patient Simulator - SpO2 Sim.</i>
Schonstedt	<i>Underground Cable and Pipe Locators – Magnetic Locators.</i>
Seaward	<i>Portable Appliance Testers, Solar Panel System Testers.</i>
Sefelec	<i>HiPot, Dielectric trimeter, MegaOhmeter, Cable Tester</i>
Sefram	<i>Analogue and Digital TV Testers.</i>
Tabor	<i>Arbitrary Waveform Generators.</i>
Tech Imp	<i>Partial Discharge monitoring systems</i>

Test & Measurement

Telewave	<i>RF In Line Wattmeters, TX & RF Combiners, Circulators, Antennae, Filters, Duplexers.</i>
TIC	<i>Avionics and Nav/Com Ramp Test Systems (Tel Instruments)</i>
T&R	<i>Micro-Ohmmeters - Relay Test Sets - Primary and Secondary Injection Test Sets.</i>
Transmille	<i>Multifunction Calibrators and Cal Lab Software.</i>
ZTS Tech	<i>RF and Microwave connectors, adaptors, loads and attenuators</i>

UPS

Ablerex	<i>Uninterruptible Power Supplies from 1.5KVA to 60KVA single phase & three phase. Battery Monitoring Systems. Automatic Transfer Switches.</i>
GE Digital Energy	<i>Uninterruptible Power Supplies from 1KVA to 400kVA single and 3 phase.</i>
Kehua Tech	<i>Uninterruptible Power Supplies from 1KVA to 120KVA.</i>
Weida	<i>VRLA Batteries for Standby and UPS Applications.</i>
